

WITHEY ADDISON^{LLP}

ACCOUNTING SERVICES

MANAGER

Withey Addison LLP is a firm of accounting professionals providing assurance, taxation and general business advisory services to our diversified client base. Based on continued growth, we are looking to add this position to our team.

Your experience and qualifications should include:

- CPA designation or successful completion of CPA exam process. LPA is an asset
- Three or more years work experience in a public accounting firm
- Experience with auditing planning and procedures
- Ability to prepare and deliver financial statements according to regulatory standards
- Ability to draw on past experience and technical knowledge to provide recommendations and tax advice to clients
- Knowledge of Caseware, Caseview, and other accounting software
- Excellent communication and time management skills
- Strong problem solving and analytical skills

We are looking for an individual with professionalism, excellent interpersonal skills and the ability to manage multiple tasks and deadlines.

Salary will be based on experience and education.
